Position Summary:
The Connecticut Airport Authority has a Skilled Maintainer job opportunity at Bradley International Airport, Windsor Locks CT. This position is full time, 37.5 hours per week. This position is 1st shift with work hours of Monday through Friday, 7:00 am to 3:00 pm (May include weekends and holidays) with 1/2 hour unpaid meal break.

This position will be assigned to the Facilities Maintenance Unit and may perform a wide range of associated tasks in accordance with one or more areas of the job specification.

PURPOSE OF CLASS: In a state agency this class is accountable for performing one or more tasks of a skilled nature (requiring prior experience or training, below the level of a specialized trades worker which would give the incumbent proficiency in required knowledge, skills and abilities on the first day of the job) in addition to performing lower level duties. Only complex tasks should be learned on the job. Tasks performed will be in one or several of the following areas:

1. Building and equipment maintenance (operational and remedial) including the operation of trucks of 5 ton or greater capacity or complex motorized equipment
2. Grounds care as a supervisor and/or specialized landscaping functions.
3. Assists Qualified Craft Workers or other higher level employees in the trade’s areas.

Examples of Duties: Per published job specification class code 0427 addendum in one or more of the listed areas.

To be considered for this opportunity, candidates must meet the knowledge, skills and abilities, and experience and training requirements listed below.
Minimum Qualifications Required

Knowledge, Skill and Ability: Considerable knowledge of methods, tools, equipment, materials and procedures of specific trade or work area concerned; some knowledge of maintenance problems and their proper handling; skill in manual and machine operations of trade or work area; some interpersonal skills; some oral and written communication skills; ability to follow written and oral instructions; some ability to utilize computer software.

Experience and Training:

GENERAL EXPERIENCE:

Two (2) years of experience in one of the following areas:

1. One of the skilled trades
2. Landscape maintenance or vegetable gardening
3. Operation of motor trucks or large buses.

The experience area should reflect the needs of the position.

Substitution Allowed:

Graduation from a vocational or technical school with a diploma designating completion of subject requirements in a maintenance trade area may be substituted for the General Experience.

SPECIAL REQUIREMENTS:

1. Incumbents in this class may be required by the appointing authority to possess and retain appropriate current licenses, permits and/or certifications.
2. Incumbents in this class must be willing to accept a mandatory assignment to emergency duties, including snow and ice removal.
3. Incumbents in this class must obtain a Bradley movement area certification allowing them to independently operate vehicles and equipment on Airfield movement areas while effectively communicating with the Air Traffic Control Tower for proper clearances.

PREFERRED CRITERIA: In addition to the above, the preferred candidate will have:

1. 1-2 years of experience in one or more of the skilled trades;
2. 1-2 years of experience using equipment for snow removal.
3. CDL highly preferred.

PHYSICAL REQUIREMENT: Incumbents in this class must have adequate physical strength, stamina, physical agility and visual and auditory acuity and must maintain such physical fitness as to be able to perform the duties. A physical examination may be required.

CHARACTER REQUIREMENT: An individual serving in this position must be able to successfully undergo a thorough background and security screening, including pre-employment drug screening, fingerprinting and maintain required security clearance during the duration of employment. In addition to the checking of references and facts stated in the application may be made before candidates are certified for permanent appointment.

WORKING CONDITIONS: Incumbents in this class are exposed to extremes of weather conditions, to frequent lifting of heavy weights, to highly dangerous road and traffic and airport conditions, including exposure to heights when working on bridges, to poison ivy, insect bites, and allergy irritants during the summer months, and to loud noises and potentially dangerous machinery.

1. Incumbents in this class may be required to lift moderate to heavy weights and may be exposed to significant levels of dust, heat, noise, extreme weather conditions and risk of injury from equipment and assaultive and/or abusive patients and/or clients.

The appointing authority may require completion of an asbestos removal program consistent with EPA guidelines for operations and maintenance during employment in this class. Incumbents may be required to use protective equipment such as respirators and safety goggles.
APPLICATION INSTRUCTIONS: Interested and qualified candidates who meet the above requirements should submit a cover letter, a resume, a CT-HR-12 Application for Employment form (located here: www.das.state.ct.us/exam) and a CAA Employment Application form (located here: www.ctairports.org/employment). Current state employees must also include copies of their two most recent service ratings and previous 12 months’ attendance records. Late or incomplete application packages will not be considered.
